**It's our duty as American Citizens to honor and cherish those who have given so much.**

Ronald Reagan, the 40<sup>th</sup> President of the United States once said:

*"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States to be free."*

**Wreaths Across America welcomes you to participate in our mission!**
